

Climate Change Innovation summer school:

Some info on the Paris stay

Joaquim Nassar

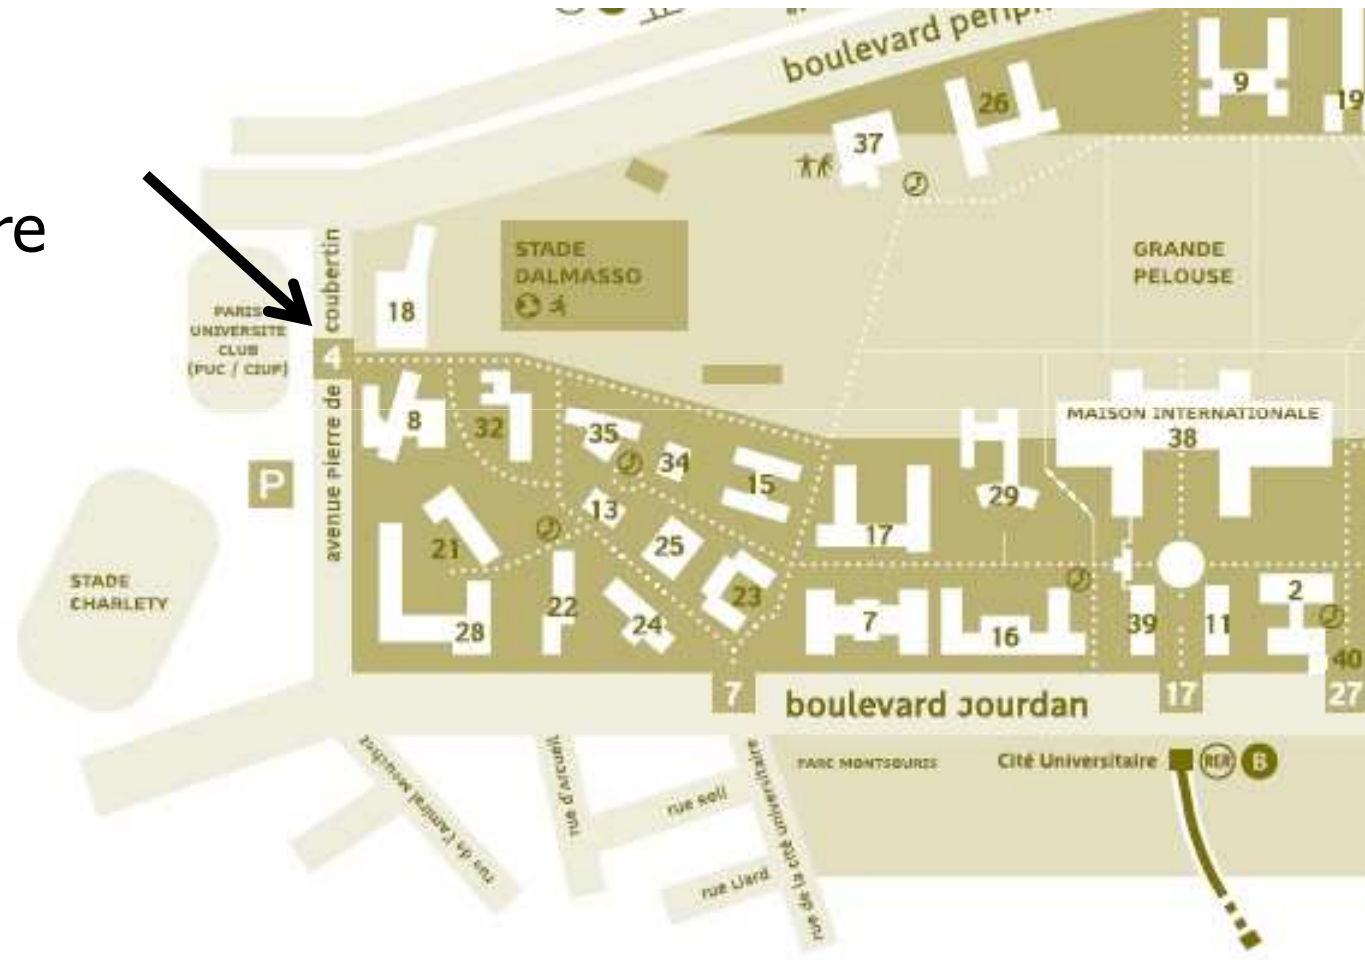

Daily meeting point for the bus

Exit of Cité
Universitaire

on Avenue Pierre
de Coubertin

at 8:00

**Every day
except
July, 14th**

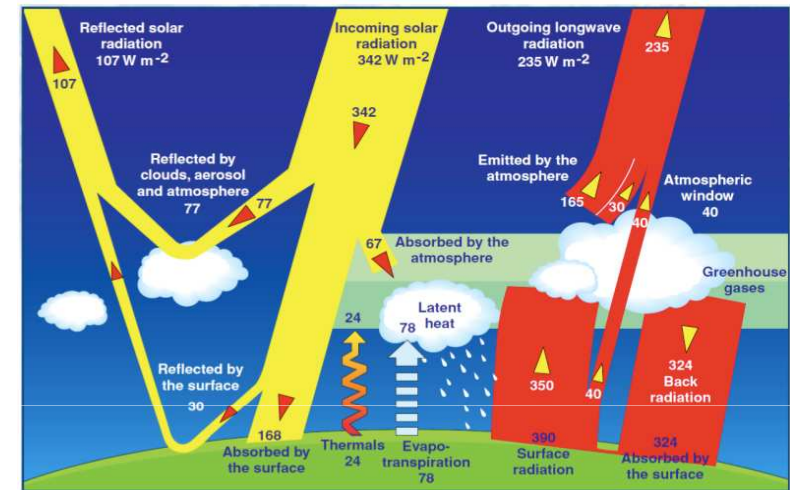

6, 7, 8 July :

Experimental sessions on climate science at **SIRTA** (Campus of Ecole Polytechnique)

- Students to be split in 3 teams (A,B,C)
- Each team will complete 3 experimental sessions on each of the following topics :
 1. Earth radiative Budget and Greenhouse Effect (Hélène Chepfer)
 2. Spatial and Terrestrial monitoring of Environment (resp. Solène Turquety)
 3. Renewable energies, Wind and Solar Power Resource (resp. Philippe Drobinski)

Session	6 july	7 july	8 july
1. Earth radiative budget and Greenhouse Effect (Hélène Chepfer)	Team A	Team C	Team B
2. Spatial and Terrestrial monitoring of Environment (resp. Solène Turquety)	Team C	Team B	Team A
3. Renewable energies, Wind and Solar Power Resource (resp. Philippe Drobinski)	Team B	Team A	Team C
Evening presentations and debates In the presence of invited experts from research and business	Team A	Team B	Team C

Sandwich dinner at Ecole Polytechnique at 19:30
Bus picks up students back at 20:00

Team A

Begum	Abidha
Bijkerk	Tom
Brunault	Luc
Deroche	Madeleine-Sophie
Eigle	Etienne
Gomez-Ulmke	Ricardo
Hegelbach	Severin
Hooper	Elisabeth
Koon	Maria
Lehmann	Niels
Meenan	Moritz
Nikoosokhan	Saeid
Reuster	Lena
Schmitz	Christoph
Windisch	Elisabeth

Team B

Blanksma	Nicolein
Bunse	Kathrina
Duquesnoy	Sebastien
Goetz	Matthias
Greco	Francesca
Hebly	Richard
Jefferson	Andrew
Launay	Miguel
Liang	Yuelin
Malone	Devin
Meinhold	Kathrin
Münch	Tobias
Opuni	Stephen
Prado	Rita
Rybka	Alexander
Ryynanen	Erkka
Stephens	Timothy
Walter	Stephen
Zorrilla Quinza	Araceli

Team C

Aggarwal	Ankit
Del Viejo Dominguez	Juan Leandro
Halbritter	Katja
Le bras	Claire
Martius	Gregor
McVicar	Alistair
Miedema	Oeds-Willem
Richter	Felix
Robiou du Pont	Yann
Telgmann	Sebastian
van de Water	Charlotte
Vankadaru	Avinash
Vertesi	Agnes
Wick	Kordula
Wilbrink	Frank

9 July

Session on design of Eco-cities
at Université de Versailles Saint-Quentin (Guyancourt)

12 July :

Morning :

Understanding carbon accounting question, Creative thinking on
carbon products

session at CEA Orme des Merisiers (Saclay)

Afternoon : session on entrepreneurship at Cité Universitaire

13 July :

Morning : session on eco-design of buildings and
infrastructures at VINCI office
(Rueil Malmaison)

Afternoon : Energy and waste management of a famous
site operated by VINCI (kept as a surprise)

14 July :

Morning : session with the coaches at Cité Universitaire

15-16 July

Split in two groups

=> Two buses starting from Cité Universitaire

Session	15 July	16 July
Water re-use in agriculture and urban context at Suez Environnement, Saint-Germain en Laye	Group A	Group B
Low-Carbon Agriculture at Grignon Positive Energy Farm	Group B	Group A

17 July

Departure to London
